

# Product Specification Report

1.0/05910002/0719

**Daily cleaner for all types of floors: tiles, marble, linoleum etc. The pH neutral formula guarantees safe use on all surfaces.**

## KDS NR 3

Floor cleaner

### FEATURES:

<b>Excellent finish</b>	Excellent results without the need for rinsing. Does not foam, and does not leave stains upon drying
<b>Pleasant perfume</b>	Leaves a pleasant fresh perfume on all surfaces
<b>Sanitizing</b>	Doesn't just clean, it also sanitizes the treated surfaces
<b>Delicate</b>	The formula with a pH of 7 makes KDS NR 3 absolutely safe on all types of floors
<b>Also for hard water</b>	The presence of sequestering agents in the formula makes it suitable also for use with hard water
<b>Easy-to-use</b>	For even greater ease-of-use, the product should be used with Zep's KDS automatic dosing system

### APPLICATIONS:

Ideal product for all types of floors and surfaces in hotels, motels, restaurants, congress centers, meeting rooms, schools etc.

### SPECIFICATIONS:

Form ..... Liquid  
Colour ..... Emerald Green

Solubility in water ..... Soluble  
pH at 20°C .....  $7 \pm 0,5$

### ACTIVE INGREDIENTS:

- Surfactants
- Sanitizers
- Sequestering agents

### INSTRUCTIONS FOR USE:

Dilute 1% of product in water. For stubborn dirt use max 3%. Apply with a mop. Let it act for a few minutes. No need to rinse. It is recommended to use KDS NR 3 with our KDS dosing system. This makes accurate dosing easier and prevents wasting of the product.

### PRECAUTIONS FOR USE:

Do not use in combination with other detergents. Does not damage waxes because of its neutral pH. For more information, please refer to the safety data sheet.

*All information in this document is based on our practical experience and/or laboratory tests. Due to the multiplicity of conditions for usage and variable human factors, we recommend that you always test our products for suitability prior to use. At any time, this version of the product specification report may have been revised based on legislation, availability of the individual ingredients or newly acquired information. The current approved version is available upon request.*
