- Complies with the strong regulations of the European Ecolabel.
- For use wherever water can be used to clean with minimum risk of damage.
- Use the product if the aim is to thoroughly clean surfaces at all types of facilities; schools, churches, hospitals, nursing homes, administrative offices etc.
- With special corrosion inhibitor for aluminium surfaces.
- Tested for efficiency by SGS INSTITUT FRESENIUS.

ECOLOGY

Q9.1 DEGREASER SUPER KLEAN has been developed as an extra ecological cleaner. With its specially selected ingredients it fulfils the high requirements of the European Ecolabel.

ADVANTAGES

Q9.1 DEGREASER SUPER KLEAN combines excellent cleaning and degreasing action with optimum environment friendliness. It will even remove oil and grease dirt. Not sensitive to water hardness levels.

USE

For big surfaces Dilute with water: 1 : 100.

Resistant dirt Apply a stronger solution, depending on the dirt. Do not use in combination with other cleaning products. Painted surfaces can become dull.

Plastic surfaces Always try on hidden area and always rinse with plenty of water.

Not suited for glass surfaces.

To measure out quantities properly, use Q9.1 DEGREASER SUPER KLEAN together with the Quick Easy Dispenser.
