

Product Specification Report

5-5060-Rev.00/11-13

Ecolabel compliant

QUICK 4.1 FLOOR INOVSOL

Non-foaming floor cleaner

FEATURES/BENEFITS:

Ecolabel approved	Complies with the strict regulations of the European Ecolabel and biodegradable.
Versatile	Suitable for all water-resistant floors.
Pleasant	Pleasant, fresh fragrance and neutral pH.
Powerful	Will remove grease and dirt with excellent cleaning action.
Safer	Specially selected ingredients to give optimum environmental friendliness and comply with the high requirements of the Ecolabel.

APPROVALS:

QUICK FLOOR 4.1 FLOOR INOVSOL has been developed as a versatile, ecological, floor cleaner. With its specially selected ingredients it fulfils the high requirements of the European Ecolabel (registration number NL/20/2013), provides an environmentally friendly formulation and optimum performance all at the same time.

APPLICATIONS:

For use to clean all waterproof floors in all types of facilities e.g. schools, churches, hospitals, nursing homes, administration offices, factories, hotels, pubs, sports centres and many more areas.

USE:

Dilute with lukewarm water 1:100. Use a mop to apply evenly onto the floor and allow to dry. There is no need to rinse.
For more stubborn stains and dirt: apply directly to the dirt and remove with a damp sponge.
For accurate measuring, use with the Quick Easy Dispenser.

PRECAUTIONS:

Do not use in conjunction with other cleaning products. Use only diluted on painted and varnished surfaces; the neat product can dull the finish. This can also happen with some plastics.
If unsure test on a hidden area.
For more information see MSDS.

SPECIFICATIONS:

FormLiquid
ColourGreen
OdourFresh perfume
Melting pointLess than 0°C
Boiling pointGreater than 100°C
Flash pointNot applicable
Density (20 °C)Approximately 1.01 g/cm³
Miscibility in waterSoluble
pH (20°C)Approximately 7.0 (neutral)

All information in this document is based on our practical experience and/or laboratory tests. Due to the multiplicity of conditions for usage and variable human factors, we recommend that you always test our products for suitability prior to use. At any time, this version of the product specification report may have been revised based on legislation, availability of the individual ingredients or newly acquired information. The current approved version is available upon request.
